2) In addition to the above a grant of Rs 1850 was given to the Electrical Dept for illumination of Public Offices and the roads.

3) The Municipality also contributed a sum of Rs 11000 towards the expenditure. Thus the total expenditure incurred excluding the cost of illumination was only Rs 104091=

Siding

4) The Estimate for which Sanction is sought includes the following items

(1) Railway Platform decoration Rs 1000
(2) Route 1000 Rs 3500
(3) Illumination Rs 3500
(4) Decoration to arch bridge Rs 500
(5) Road repairs Rs 2000
10500.

(1) & (5). During the visit of H.R.H the Prince of Wales, a sum of Rs 1000 has been granted for these items together. Perhaps that limit may be adhered to.

(2) Rs 2000 have been granted in all for this item. The same limit may perhaps be adhered to

(3) For Mannimahan a sum of Rs 1850 was given for Electrical Dept during H.R.H's visit. A sum of Rs 3500 is now proposed. This seems too high & may perhaps be limited to Rs 2000.

(4) Road repairs. The Principal says in his letter under reference that the Municipality pays Rs 1000 for Road repairs. The total expenditure on road repairs has not come up to Rs 1000 during H.R.H's visit. The grant for road repairs may, ~~therefore~~, possibly be limited to Rs 500, if a grant is to be given at all for this purpose.

5) The total Hire calculated will be Rs 6500 as against Rs 8500 last time.

6) The file relating to the general question of finance is also submitted herewith.

7) The minimum of the Sanitary Dept may be entrusted to the Elec. Dept excluding thereby the Rs 1000 asked for against Rs 500 granted last year. The Rs 500 will suffice according to the estimate of the Executive for the cleaning of the R & Sh, Quarters & the route. I think as in the last.

occasion the expenditure under this head should be limited to Rs 3500. This will leave Rs 1500 for special repairs roads apart Rs 2000 asked for. If the latter figure is taken the total grant may be raised to Rs 5500.

Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.204/C.B.16-23-5 dated 18th July 1923, stating that a special grant from State Funds not exceeding Rs.5,000/- will be sanctioned towards expenditure in connection with the forthcoming visit of His Excellency the Viceroy and calling for detailed estimates for the works to be carried out by the Municipality, I have the honor to state as follows:-

(2) A comparative Statement showing the expenditure incurred during the visits of their Excellencies Lord and Lady Harding in November 1913 and Lord and Lady Chelmsford in November 1919 and the grants made by Government and the amount spent by the Council and the estimated expenditure for the forthcoming Viceregal Visit in November 1923 is submitted herewith (Enc.A).

(3) It will be seen that in 1913-14 and also 1919-20 Government contributed nearly Rs.12,000/- on each occasion and the Council spent about Rs.4,450/- in 1913-14 and Rs.10,250/- in 1919-20.

(4) The subject was considered at a Special Meeting of the Council held on Monday the 27th ultimo and the resolution of

the

the Council is enclosed.

5. Under the circumstances I am to respectfully pray that the Government may be pleased to raise their contribution to Rs.10,500/- so as to approach the level of previous years, in view of the importance of the occasion and the present straitended financial condition of the --- Municipality. The Council propose to spend a sum of Rupees Ten Thousand from Municipal Funds for the special repairs of roads lying on the Viceregal Route and the Council regret they are not able to make any --- further contribution. The estimates submitted are moderate and seem --- necessary to give a fitting reception to His Excellency.

I have the honor to be,

Sir,

Your most obedient servant,
